

MAST Science Educator of the Year Awards

Each year our organization seeks to honor those among us who have contributed in a beneficial way to the improvement of science education in the state of Massachusetts. Consider nominating a colleague who has met the criteria below.

PURPOSE: To recognize persons making outstanding contributions to Science Education in the Commonwealth of Massachusetts.

CRITERIA: For consideration, the candidate must:

- Hold a current membership in the Massachusetts Association of Science Teachers (MAST) and has been an active member for the three previous years.
- Have a past history of being an active, contributing member of national, state, and/or local science teacher organizations.
- Have provided a leadership role in promoting and advancing the cause of quality science education among his/her peers.
- Have been active in promoting and advancing the cause of quality science education among students in the schools.

AWARDS: Will be presented at the annual meeting.
All awards will be voted upon by the Board of Directors.
There shall be two classes of awards – County and State.

County Awards - May be given each year for each county if, in the judgment of the Board of Directors, there is a deserving candidate from the county. The Board may choose to omit the award for any county if in their opinion there is no deserving candidate.

State Award - This single award is to be presented by the Board of Directors from the list of current and previous County Award winners.

NOMINATIONS: Nominations for awards may come from any source.
The Board of Directors shall seek out qualified candidates.
The deadline for nominations to be accepted is the second week in September.
